# **WELCOME FROM THE JOINT CHAIRS...**

Dear Members,

Welcome to the new season and we hope that you have all wintered well! We are really pleased to be able to provide you with a copy of the 2026 Club Handbook. Please note that fixtures do change unexpectedly so whilst, at the time of going to print, the information contained in this booklet is correct, it is possible that some fixture dates may change.

Thank you to William Woods and Woods Fine Linens for sponsoring the handbook. Their generosity has meant we have been able to publish a proper fixture booklet for the past three seasons. As ever, thank you to all our sponsors for their generous support of the Club.

Our sincere thanks go to all the captains, coaches, managers, admin support assistants, board members and working group members who dedicate large parts of their lives to running Harrogate CC on a voluntary basis. We are extremely grateful for your dedication and support.

Our junior section goes from strength to strength under the guidance of a wide range of coaches and leads who give their time so generously. The Women & Girls section is becoming well established with league representation at senior and junior levels.

From a senior perspective, the 1<sup>st</sup> XI is looking strong for this season and we are delighted to welcome Kaumal Nanayakkara as our new overseas player. Over the past three seasons Kaumal has been playing first class cricket in Sri Lanka and we are already seeing the benefits of his left arm spin bowling!

We look forward again to seeing you all down at the Kirby's Solicitors County Ground over the course of the coming season and thank you for support!

Kind Regards,

Steve Clark and George Oworm

# Support Harrogate Cricket Club

Harrogate Cricket Club is a community-led and volunteer driven organisation. We rely on our members, friends and volunteers to assist with the running and administration of the Club. If anyone is able to lend the time to volunteer in any aspect of running the Club, no matter how great or small, we would appreciate your help. Please contact George Oworm (07766000853 and [gowram6@googlemail.com](mailto:gowram6@googlemail.com)) if you think you may have capacity to help the Club in any way.

We do not want voluntary work to be onerous and we always have a number of different and varied roles available for those who want to help make a difference. Engaging in the running of the Club is an incredibly rewarding experience and an opportunity to meet and socialise with other like minded individuals.

We also rely on the generosity of our members and sponsors to ensure the financial future of the Club is secure. If you would be interested in making a tax efficient donation to the Club, or would like to talk to us about providing ongoing financial support, or leaving a legacy to the club, please contact Steve Clark (07919681533 and [thefamilyclark@ntlworld.com](mailto:thefamilyclark@ntlworld.com)).

Thank you to all our members, friends, parents, volunteers, and players for their support over the past season. We look forward to a successful 2025.
